CARL SAXBY

LTA LEVEL 4
SENIOR PERFORMANCE COACH

07805 821 240

I have been working as a tennis coach for the last six years having originally volunteered at Woodthorpe Tennis Club with Chris as a 16 year old! Since then I have gone on to become a full-time coach with **On The Ball Coaching** and worked through the LTA awards to my current level – a Level 4 Senior Performance Coach.

Tennis is a huge passion of mine and I have kept my own game up whilst coaching by playing in club doubles matches as well as the occasional singles competition.

I love coaching all ages and abilities in a wide variety of settings: clubs, schools and indoor performance centres. My role as the Performance Coach across all the clubs allows me to see children progress and I also love running competitions where children can put all their skills into practise.

I am available for private lessons throughout the week and enjoy coaching any player who is really keen to progress technically and tactically.
