

# COACH PROFILE

## DAVE WRIGHT

LTA LEVEL 3

07773 395 405

I have been regularly involved in tennis for over 20 years and have been a competitive match player for many years in the LTA Nottingham leagues.

With my continued interest in the game I decided to utilise this experience and work as a coach with **On The Ball Coaching** and independently whilst continuing to develop my training.

I am currently an LTA Level 3 Club Coach and enjoy working with both the younger mini-tennis players and the adult players, both socially and competitively.

I mainly work at Woodthorpe Tennis Club where I am also the men's first team coach.

My aim as a coach is to develop a player's potential, motivate and maintain their interest in the game of tennis into the future. I am available for private lessons throughout the week and enjoy coaching to a wide range of players regardless of their experience.

Like the rest of the team, I just like coaching players who are keen to improve.

\* Emergency First Aid at Work / Fully enhanced DBS clearance
