About the camp

Recommended for ages 5 to 11.

We limit space to 14 children on the day to ensure close attention to each child and we can cater for 5-11 year olds on these days. Groups are split into at least two different groups which means our coaches can challenge the children appropriately. We aim for a child:pupil ratio of 1:8. Each day on our Tennis Camp is action packed with tennis skills, technical exercises and matches. Activities are divided into groups based on age and experience and all our days are ran by our experienced Lawn Tennis Association (LTA) qualified staff who will teach your children from the start of the day
