

How to Book online?

The software we are using has been paid for and supported by the Lawn Tennis Association. It has been developed by a company called Sportslab and is being used by Coaching providers and Tennis Clubs across the country.

Online payments are being secured and taken using Stripe which has been audited by a PCI-certified auditor, and is certified to [PCI Service Provider Level 1](#). This is the most stringent level of certification available.

The service is totally FREE to the customers and we are charged a small percentage of each transaction by the software company to be hosted on their platform. If you have any further questions or worries then please contact me on 07946 370513.
